Subject: Valley Bank (Hagerstown, MD) paper money

Sullivan, George H.
[16 W 11th St., NYC]

1919

Dear Mr Wood

I take the liberty of returning to you the Acknowledgement of Gift just sent to Mrs Sullivan in order that you may add the list of Revolution-paper money and Confederate States paper money donated at the same time.

It may be that a separate receipt is to come for the paper money but, if not, it seems simple to add the paper money items to this existing document

Sincerely yours

George H. Sullivan

My dear Mr. Sullivan:-

Please pardon me for not acknowledging the receipt of the paper money of the Valley Bank of Hagerstown, Md. We are very glad to get these and I have picked out seventeen different varieties and denominations for our collection. The rest will be very handy to have for exchange purposes.

Thanking you again for your interest, I remain,

Yours very truly,
